At the tea

An important event was recorded in the Regina Catalogue Order Plant's history on Wednesday, February 14, 1968, when **Miss Ruby Stancove** became the first Regina employee to complete 50 years' service.

The Ladies' Lounge bulged with friends on the morning of the 14th. Mr. F. Reid presented Ruby with 50 yellow roses and a \$1,000.00 Canada Savings Bond in recognition of her lengthy service. He paid a fine tribute to Ruby's loyal service and declared her the President of the exclusive 50 Year Club. Mr. A. Webb, on behalf of her many friends, presented Ruby with a topaz ring and a camera. Many other gifts and congratulatory messages were received from friends near and far. In her "Thank you" speech, Ruby expressed her appreciation for the gifts and the manner in which the Company had treated her. Special guests for the day were Ruby's sisters, Amelia and Justine, who had come from Toronto for this occasion.

During the afternoon, a tea was held in the Lounge. Over 500 people came to offer congratulations. It must have been gratifying for Ruby to see so many friends and fellow employees, including officials and 25 Year Club members from Simpson's and Jim Atfield from Montreal, a former manager of hers, Ruby was also chosen "Citizen of the Day" by CKRM.

EEN HE DAY

On February 13th, a dinner, attended by 65 friends, was held in the Russell Room of the Sheraton Drake Hotel. George Gagnier said grace. 10 PIN LEAGUE

The following is the league standing as at February 4th, 1968:

Team	Pts.		Team	Pts.		Team	Pts.	
#12	245½	(R. Helmsing)	6	188½	(G. Moore)	11	150½	(P. Prosowski)
13	236½	(G. Yellowega)	2	186½	(D. Harrison)	16	114	(J. Starzynski)
3	234½	(I. Koster)	9	176½	(D. Petz)	5	112	(P. Fuchs)
15	233	(E. Samborn)	14	176½	(F. Hurlley)	7	107	(O. Shea)
1	194½	(F. Walter)	8	166	(T. McRadu)			
4	193	(G. Nazarchuk)	10	165½	(R. Goodhur Jr.)			

During the first half of the season it looked as though Team #3 with John Guttormson and Irv Koster as anchor-men, would run away with the league, but once Rick Helmsing and his gang got the hang of the game, they decided they liked it and now they are fighting to hold that top spot. They are being pushed hard however, by Team #13 captained by G. Yellowega, Team #3 with Irv & Phyl Koster and Beth & John Guttormson, and Team #15 with Stephie & Ernie Samborn and Norm & June Nichols. Gene's team is made up of Hanna Tressel and those old pros Elsie & Fritz Hungle, so you know that Rick will have to keep his team pepped up in order to hold that top spot.

While this league has a lot of beginner bowlers, some of the averages would do credit to any of the city leagues, as indicated below.

Ernie Samborn	178	Gary Moore	155	Gwen Nazarchuk	145
Irv. Koster	166	Ron Wolfe	151	Marie Nadler	143
Fritz Hungle	166	Elsie Hungle	157	Phemia Boak	143
Gene Yellowega	157	Marion Hines	146		

It is noteworthy that on February 4th Ernie Samborn had games of 204 and 223 and a total of 612.
